## WORKING WITH US = SUPPORTING THE ARTS 'WHERE CASUAL WORK MEETS CREATIVITY'

Using a % of company profit we support our performers' creative journeys with theatre ticket giveaways, we also use the platform to promote and produce our performers' work. Such as our highly acclaimed 4\* theatre run of *A Gym Thing*, which premiered in Edinburgh and transferred to London.

"A lean and powerful 60-minute drama about a young man's gym addiction" "An impressive study of self-loathing and the desire to be seen."

(\*\*\*\* *The Stage*)

"...required watching for anyone who finds themselves getting obsessive about self-improvement. *A Gym Thing* never hammers its message home, instead making its points with a brutal elegance"
